**Our Whole Lives** is a comprehensive, kindergarten through adult sexuality education curriculum series. It provides people of all ages with accurate information on sexual health, human development, sexual behavior, relationships, and personal skills in the supportive setting of their faith community. This workshop trains teachers in how to teach participants about sexuality in age-appropriate ways.

To be certified as **Our Whole Lives** teachers, individuals are expected to: demonstrate a commitment to a values-based, comprehensive sexuality education have a willingness to affirm the **Our Whole Lives** program goals, values, and philosophy have an ability to provide a safe, engaging learning environment and have an appreciation for working with people of diverse races, cultures, ages, abilities, and sexual and gender orientations. Two adults are required to be present at all times whenever **Our Whole Lives** is taught. Therefore, if a church or organization wants to teach **Our Whole Lives**, two adults (preferably different genders) need to attend training.
